I moved to Middleburg in 2022 and was introduced to Emmanuel by a church member helping with Emmanuel's Treasures. What a fun introduction! Attending services soon followed, and it has been wonderful to join the Emmanuel community over the past several years. I am currently serving on the board of FISH (For Immediate Sympathetic Help), and I feel grateful to be involved with the greater Middleburg community, too.

Both my daughters are married, and family time is a priority for us all, even though they are very busy with the demands of their careers and travel.

I am a certified docent at the Smithsonian American Art Museum (SAAM) and the Renwick Gallery, and I enjoy being immersed in DC's art world. I'm an avid reader and belong to several book groups. Needlepoint is another passion. Piano and French lessons remind me that practice doesn't make perfect, but hope is eternal!

The opportunity to work with other Emmanuel members towards the greater good of this wonderful church in Middleburg is one I would happily embrace.
