

Anne Marstiller

I have been a member of Emmanuel Episcopal Church since 1992 and have had the privilege of serving on the Vestry four times. Each experience has been deeply rewarding, and I am committed to helping the church thrive and grow.

Formerly, I worked as a real estate agent with Thomas and Talbot Real Estate. Much of my professional background is rooted in the corporate world. After graduating from Vanderbilt University, I spent several years in marketing and sales with companies like Procter & Gamble, MCI Communications, and several tech start-ups. This experience has allowed me to contribute to several local organizations, including serving on the boards of The Goose Creek Association and Buchanan Hall of Upperville.

I am also a proud member of the Piedmont Environmental Council, the United States Eventing Association, and The Sporting Library, among others. Volunteering at Seven Loaves each week is something I truly enjoy and value to give back to my community.
