To Little Girl

To Little Girl  
Always seen not heard  
Released large  
In rhyming word

To Little Girl  
Latent and disavowed  
Emergent voice  
Now shouting loud

To every monster  
Little Girl had  
I curse you all  
You made her mad!

So fill your boots  
To say it's done  
Free your rhythm  
Dance, have fun

To Little Girl  
In a world that's big  
You got this  
Expert in zag and zig
